**THE LABORATORY OF SPEECH COMMUNICATION AND SIGNAL PROCESSING (LCPTS) AT THE FACULTY OF ELECTRICAL ENGINEERING OF USTHB IS ORGANIZING THE FIRST "INTERNATIONAL CONFERENCE ON SPEECH, MULTIMODAL, AND ADVANCED COMMUNICATION SYSTEMS "ICSMACS'26" ON JUNE 29-30, 2026.**

*"The first International Conference on Speech, Multimodal, and Advanced Communication Systems "ICSMACS'26"* is a prominent event that brings together researchers, academics, engineers, and industry professionals to discuss advancements in speech processing, natural language processing, multimodal human-computer interaction, and advanced communication systems. The conference seeks to promote information sharing and multidisciplinary cooperation among specialists in various domains

ICSMACS2026 embraces a broad range of science and technology in speech, language and communication, including – but not limited to – the following topics:

**Track 1: Speech and Signal Processing**

**Track 2: Multimodal Human-Computer Interaction and Intelligent Interfaces**

**Track 3: Natural Language Processing & Generative AI**

**Track 4: Advanced Communication Systems and Intelligent Networking**

**Track 5: Hardware and System Implementation for Intelligent Communication**

### Important dates

Submission of full papers: December, 20, 2025 (**Extended to January 5, 2026**)

Notification of acceptance: February, 20, 2026 (**Extended to March 5, 2026**)

Final camera-ready papers: March, 20, 2026. (**Extended to April 5, 2026**)

Early registration: April, 15, 2026.

Late registration: May, 15, 2026

Conference dates: June 29-30, 2026

### Submission of papers

Papers should be written according to IEEE standard.

Papers should not exceed 8 pages.

Only PDF files will be accepted. A maximum file size of 2MB for all uploaded papers will only be accepted.

### Online Submission

The authors are asked to submit their papers using the on-line submission system

## Organizing Committee

### Honorary Chairs

Pr Djamel-Eddine AKRETECHE,  
Rector of USTHB

Dr Kamel BOUDJIT, Dean of  
Electrical Engineering Faculty

### General Chair

Pr Fatma Zohra CHELALI, USTHB

### Conference Co Chair:

Dr D.ADDOU, USTHB

### Technical Chair

Pr M.DEBYECHÉ, USTHB

### Technical Co Chair

Dr Djamel ADDOU, USTHB

Pr S. MEKAOUI, USTHB, dz

Dr M. LICHOURI, USTHB, dz

### Organizing Committee Chair

Dr Mustapha HEMIS, USTHB, dz

### Organizing Committee Co Chair

M. AHALILALI, USTHB, dz

Dr M.HAMIDIA , USTHB, dz

Dr Y. HARKAT, USTHB, dz

### Publication chair

Pr FZ. CHELALI, USTHB, dz

Dr M.LICHOURI , USTHB, dz

Dr A. CHENTIR, Univ Blida, dz

### Website Chair

Dr Y. ZERGAT, USTHB

Dr A.CHENTIR, Blida,dz

### Publicity Chair

Dr M.LICHOURI, USTHB, dz

Dr S. AGAB, USTHB, dz

Dr K. AOUIA, USTHB, dz

### FINANCE CHAIR

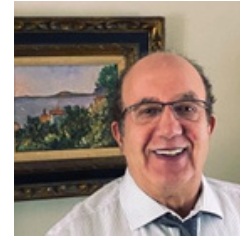

Pr Fateh Krim, Univ Setif, dz

Pr M.DEBYECHÉ, USTHB, dz

Dr M. HEMIS, USTHB, dz

Pr K.SMAILI,  
LORIA, France

Pr C. CHIBANE,  
USA

Pr N. ZENATI,  
CDTA, ALGERIA

Dr Ruggero  
Donida Labati  
Milano, Italy

Dr. Dariusz Jacek  
Jakóbczak,  
Poland

Pr P. Vincenzo,  
Italy
